Subject: Mycelium-PCB Research Project Kick-Off Meeting
Attachments: Comment Form.xlsx; Agenda_Mycelium_PCB_2016 04 13.docx; vactor waste experiment design.docx; Mycoremediation Project Phase 1 Timeline.docx

All

Welcome to the Mycelium PCB Research Team! By now you should have received a email invite for the kick-off meeting on Wednesday April 13th from 2:00-3:30pm PST. *(If you have not received the invite, please let me know)*. The meeting will be held at the The Lands Council (TLC) offices in the 2nd Floor Large Conference Room, which is located in the Saranac Building at 25 West Main Ave in downtown Spokane. If you will be conferencing in for the meeting, the conference line is: [Ex. 6 Personal Privacy (PP)], Pin# [Ex. 6 Personal Privacy (PP)].

Attached are the following meeting documents:

- Agenda
- Vactor Waste Experimental Design
- Mycoremediation Project Phase I Timeline
- Comment Form

Please review the Experimental Design and Timeline before the meeting (these are the same documents that were sent out previously). If you are unable to attend the meeting, please use the comment form to provide your comments and email them to me the day before the meeting. If you will be attending in person or on the phone, you do not need to complete the comment form since their is time allotted to discuss comments during the meeting.

If you have any question, please let me know. I look forward to working with all of you!

Aimee S. Navickis-Brasch, PhD Candidate, PE
